Subject: Fwd: Press Inquiry about EPA press transparency

Hi there,

I sent a follow up note to Christie about the story below, and got a bounce back message saying she's out of the office.

Can anyone else give a response to the questions below?

Many thanks!
Dinah

Hi Christie,

I'm writing a story for NewsPro, a Crain publication for journalists, about covering environmental issues under the Trump administration. Here's a link to the magazine, in case you're not familiar with it:

I wanted to see if we could set up a short phoner to talk about press transparency at the EPA. I'd like to ask why EPA Administrator Scott Pruitt does not release a public calendar, and whether scientific information released by the EPA meshes with administration policies. My deadline is Wednesday, Aug. 30.

Many thanks,
Dinah
