

P R O C E E D I N G S:

(Whereupon, in open court.)

THE COURT: Good morning, everyone.

To whom do we owe thanks for these marvelous additions to our candy jar?

MS. HINES: That is from me, Judge.

THE COURT: Ms. Hines, thank you very much. Werther's are the best.

Let me just put on record, now that the record is on, that the matter between Vandergucht and OCF is no longer before the Court.

That matter having been resolved by the parties, OCF has left the courtroom, and it is my understanding that Mr. McGowan will return at noon to pick up all of his belongings and all of his files and his papers, so let me just make a note.

I see Mrs. Vandergucht is still here. Good morning, Mrs. Vandergucht.

Thank you for your attendance throughout this proceeding, and I wish you the best of luck.

MRS. VANDERGUCHT: Thank you.
