

1 A Yes.

2 Q Okay. We will come to your work in a
3 minute, but I would like to ask you: Prior to getting
4 involved in this research, did you check to see
5 whether other researchers had done work on this
6 topic?

7 A Oh, certainly. You don't want to go in and
8 try to do something that has already been done.

9 Q And what did you find?

10 A There was a report that had been done from a
11 fellow from the Public Health Service, Jeremiah
12 Lynch. Dr. Lynch published his report, I think, in
13 1968.

14 There was some work done by Ford Motor
15 Company in England by two people that were published
16 in 1969.

17 Q Would that be --

18 A Hackish and Knight. In fact, there is a
19 paper by Hackish and Knight, Knight and Hackish, and I
20 think Hackish alone.

21 Q Just briefly, can you describe the work that
