CONDITIONS

No terms or conditions, other than those stated herein, and no agreement or understanding in any way modifying the terms and conditions herein stated, shall be binding upon Purchaser unless made in writing and signed by its Purchasing Agent.

Seller warrants that the articles or materials furnished hereunder shall conform to this contract and shall be of good workmanship and quality, free of all defects and fit for the purposes for which they are intended.

Seller will indemnify, save harmless and defend Purchaser from and against any and all suits, actions, legal proceedings, claims, demands, damages, costs, expenses and attorneys' fees incident to any infringement or to any claimed infringement of any patent or patents in the manufacture and sale, or either thereof, of the articles or materials covered by this purchase, or in any way connected therewith or with the use thereof by Purchaser; provided, however, that Purchaser may be represented in any such suits, actions or legal proceedings by attorneys of its own selection at its own expense.

Any clause required to be included in a contract of this type by any applicable and valid federal, state or local law or administrative rule or regulation having the effect of law shall be deemed to be incorporated herein.

Seller represents that the articles, materials or services furnished hereunder will be produced, or rendered in accordance with the applicable provisions of the Fair Labor Standards Act of 1938, as amended.
