

own in model, characterizes sanctu-
ler. At right is bible school.

In Westchester Unique Design

el plate side and rear walls, also of
stucco.

Both structures will have
acoustic plaster ceilings with
fluorescent lighting and as-
phalt vinyl floors.

Plans by Bolling, a mem-
ber of the congregation, al-
low future expansion. The
rear wall of the sanctuary
will be demountable and
both structures will be lo-
cated on the site to allow for
future buildings.

Completion of both struc-
tures is scheduled for this
fall when the University
of the Pacific will be in
session.

split-level homes.
Both communities are
planned, giving considera-
tion to varied exteriors, in
order to complement the ad-
joining home.

Three and four bedrooms,
a family room and two or
two and one-half baths are
available in the homes at
each development.

Prices at Brea Southridge
homes start at \$22,150, rang-
ing to \$27,700. Down pay-
ments start from \$1,050.

Price Range
At Hacienda Northridge
prices are from \$22,850 to
\$31,000. Down payments are
from \$1,000. Some of the larger
homes at Hacienda North-
ridge have rumpus rooms in
addition to a family room.

Conventional terms are
featured at both develop-
ments. Down payments in-
clude all costs and imposts.
To inspect the homes at
Brea Southridge, drive east
on Santa Ana Freeway to
Hacienda Blvd. (Highway
33) and north to Whittier
Blvd., then right about a mile
to the furnished models at
Whittier Blvd. and Puente
Rd.

The Hacienda Northridge
development is located in
Whittier Heights and is
being inspected by
San Bernardino County
Planning Commission.
