Hi Ladies!

I hope you're doing well. I just wanted to check back with you to see if any of those dates worked for the Administrator to join us?

Looking forward to it – thank you!

Hello Ashley,

Thank you for reaching out with this invitation. I work in Administrator Pruitt's office along with Millan Hupp, copied here. I believe the two of you connected earlier this year in regards to this event and unfortunately we weren't able to make it work with his schedule. We would love to explore the opportunity to have him visit in the spring.

Could you please complete the attached form with as much detail as you can? This will help in getting a better understanding. We will then want to set up a call with you to hear more details about how these work.

Thank you and we appreciate the invitation!

Good Afternoon,

I hope you're doing well. My name is Ashley Lison and I am the Executive Director of Convocation here at Liberty University. Liberty is the largest university in Virginia, and hosts the largest weekly gathering of young adults in the world: 12,000+ students residentially, and over 90,000 online via our live stream. Our Convocations often garner local and national media attention, as well as millions of views on social media.

Last year, I spoke with Michelle (see below) about hosting the Administrator at Convocation, but unfortunately we were never able to confirm a date. We are currently booking for Spring of 2018, and we would love to solidify a date for the Administrator to join us!

I'm not sure how familiar you are with our school, but our Convocation serves as a platform for ideas where individuals from all walks of life inform, inspire and engage college students. Our guest list is quite diverse ranging from TV personalities to Ted talk speakers, missionaries and pastors, Grammy award winners, world class athletes, political leaders, artists etc. Some of our guests this year have included: Steph Curry of the Golden State Warriors, Brian Littrell of the Backstreet Boys, Olympian Simone Biles, soccer legend Kaka, political leaders like Donald Trump, Bernie Sanders & Gary Johnson, comedians like Larry the Cable Guy, Jeff Foxworthy and many more.

Please let me know what we can do to make this partnership happen!

Thank you,

Ashley O. Lison

Good Afternoon Michelle,

I hope you're doing well. My name is Ashley Lison and I am the Director of Convocation at Liberty University. I understand that you spoke with my assistant Alyssa Kidder this afternoon regarding AG Pruitt joining us at Convocation in the Spring! We're so excited about this possibility and would love to add him to the Spring schedule press release which will be sent out tomorrow or Monday. Would it be possible to firm up a date that would work with his schedule before or after his confirmation hearing?

Thank you,

Ashley O. Lison
