Ban on Double Jobs Sought

City Civil Service Action Planned

A tightening of civil service regulations to prevent city employees from holding two jobs was predicted yesterday by William L. Henderson, secretary of the Civil Service Commission. Henderson said a survey had disclosed that seventy employees are holding full time city jobs, and additional part time jobs either on the city payroll or in private employment. Twenty-eight employees, including twenty-five teachers, are receiving two city pay checks, Henderson said. Henderson admitted, however, that all the seventy employees are holding extra jobs with the permission of the commission.

MAGNIFIED CROSS-SECTION SHOWS SELF-CLEANING PROCESS

With Du Pont House Paint, a fine white powder forms on the surface after a few months.

Some wash off this powder—and with it, much of the accumulated dirt and grime.

Self-Cleaning leaves surface clean and white... keeps it sparkling white for years. This cleaning process is gradual and does not adversely affect the long life of the paint.

Du Pont House Paint Cleans itself!

Houses painted with Du Pont No. 40 Outside White are dazzling white at the start, but more important, they stay white. Du Pont "40," owing to its unique combination of pigments and oils, actually cleans itself... sheds dirt and dust with every heavy rain. Normally, this "Self-cleaning" starts in a few months on most surfaces. However, excessive soot or heavy shade, or stains from metal surfaces such as copper screening, may interfere with or delay the process. "Self-cleaning" Du Pont House Paint is also available in light tints. It assures you long-lasting protection against rust, rot and decay. Economy is yours, too. Smooth, easy application, excellent spread, high hiding... all add up in your favor when you specify Du Pont. If the surface is bare wood or badly weathered paint, make certain a prime coat of new Du Pont House Paint Primer is applied. It assures maximum adhesion and performance of the finish coat.

DULUX Trim and Trellis Finishes resist fading.

Outside trim and shutters keep their sparkle year after year... with extra-durable DULUX Trim and Trellis. It resists mildew and fading... brushes on easily... covers solidly... dries quickly. In seven colors, including a new Blue and Bright Red that resist fading!
