

CHEMICAL MANUFACTURERS ASSOCIATION
November 1, 1995

Dear Vinyl Chloride Transportation Committee Members:

The following items are enclosed:

1. the November 9, 1995 meeting agenda;
2. the November 1 Action Item Status Report. Please review the report in preparation for the November 9 Committee meeting, and complete your assignments. I expect to receive the draft video script on the Midland transfer kit from Gerry Portis on November 6. I will fax you the script as soon as I receive it. Vergel Perry should follow up on submission of vinyl chloride transportation information to Ludwig Benner;
3. vinyl chloride plant safety questionnaire proposed by Oxychem. Please review the questionnaire with your legal departments prior to the meeting and bring your comments/concerns to the meeting;
4. August 31, 1995, letter from Dow Canada and September 29, 1995, letter from Westlake Monomers on standardization of tank cars in vinyl chloride service; and,
5. dinner and business meeting information. We will meet in the lobby of Days Inn at 6:15 p.m. to go to dinner at the New Formosa Guest House. You also may go directly to the Guest House. For the business meeting, we will meet in the lobby of Days Inn at 8:00 a.m. Once again, you may go directly to the meeting site.

Frank Rowland will be in Point Comfort starting November 6. If necessary, he can be reached through his Environmental Department (512/987-7444) or Safety Department (512/987-7476).

Elena Howell, my new assistant, and I look forward to seeing you in Point Comfort on November 8, 1995.

Sincerely,

Hasmukh Shah, Ph.D.
Manager, Vinyl Chloride Panel
