February 3, 1983, Attorney Mueller informed me Attorney Scharf is unable to make the February 23, 1983 deposition at our office as he will be vacationing.

We have rescheduled it for March 30, 1983 same time and place.

Filed in Diary for March 17, 1983.

P.S. Rick, we plan to view Smith's workplace in the afternoon and would probably meet you at the plant. I spoke with Dr. Van Ordstrand and learned he would like to view Smith's x-rays. Would you subpoena those from St. Francis Hospital and Northwestern University? I am still awaiting the signed authorization from Harriette so that we can get the records from the VA. Will you have any problems getting the x-rays from the VA? We hope to use Dr. Volodka's office for viewing the x-rays after our tour of the workplace.
