Dear Mr. Breau:

I understand through Mr. "Rip" Van Winkle that your company may be interested in joining the Vinyl Chloride Safety Association.

Enclosed please find a copy of the By-Laws for your review. If your company meets these qualifications and wishes to join, I shall need the name of one permanent representative appointed to represent your company and serve as correspondent between Shintech and the association. This representative is also responsible to communicate all association meeting announcements, activities, etc., to interested company employees to defray the association mailing expenses.

I shall be looking forward to your reply.

Sincerely,

H. G. Olson, Secretary
