

The Edison Electric Institute (EEI) and the Center for Climate and Energy Solutions (C2ES) cordially invite you to attend our ninth annual dinner in honor of U.S. Congressional and Administration officials attending the COP-24 U.N. Climate Change Conference. The dinner will take place the evening of ***Monday, December 10 at 8:00 p.m.*** at Via Toscana restaurant, located on the first floor of the Altus Trade Gallery in Katowice (ul. University 13, 40-007 Katowice). The restaurant is very close to the Marriott hotel and a short distance from the conference center.

The evening will offer a unique opportunity to informally dialog with senior officials from the U.S. government and other leading business executives and non-state actors on climate change while being able to sample dishes from one of Katowice's finest restaurants. We would be deeply honored if you were able to join us for an evening of fun conversation and bipartisanship.

Please RSVP to Eric Holdsworth (eholdsworth@eei.org) or Nancy Meyer (MeyerN@c2es.org). We look forward to seeing you in Poland.
