

December 16, 1960

MEMORANDUM:

TO: Staff of The Kettering Laboratory

Upon Mr. Duvall's retirement at the end of this month, Mr. Will Schaber will assume all responsibilities for the maintenance of the building, as well as the care of all experimental animals housed within the Laboratory. Mr. Schaber's activities, however, will be coordinated through Mr. Bruegman.

Robert A. Kehoe, M.D.
Director
The Kettering Laboratory
