

In June 2003, we sold our Thailand structural products subsidiary to AAPICO Hitech Public Co., Ltd., a Thailand-based automotive supplier. The sale resulted in cash proceeds of \$54 and an after-tax profit of \$8. The subsidiary's sales, which were included in the Automotive Systems Group, were \$18 and \$21 for the year ended December 31, 2002 and the six months ended June 30, 2003, respectively.
