Subject: Multi-Society Letter Regarding Endocrine Disruptors and EU Chemicals Strategy for Sustainability

Dear Vice-President Timmermans,

Endocrine Disruptors and EU Chemicals Strategy for Sustainability

Please see the attached letter, sent on behalf of a joint group of European and international medical and professional specialty societies requesting that urgent and effective science-based measures on EDCs are included in the Chemicals Strategy for Sustainability in order to protect our citizens' health and our environment.

Thank you very much,

[REDACTED]
