Safety Council Names Officers

Western Pennsylvania Safety Council Selects New Officials

F. L. DUGGAN IS RE-NAMED LEADER

(International News Service)

PITTSBURGH, Nov. 26. — Newly elected officials of the Western Pennsylvania Safety Council for the coming year were announced today at the organization following the annual meeting in the Chamber of Commerce rooms last night.

F. L. Duggan was re-elected president of the council; P. H. McCance, of the Philadelphia Company, was named treasurer to succeed C. D. Auel, of the Westinghouse Electric and Manufacturing Company who was elected to the newly established post of chairman of the budget.

Other officers named included: A. Lyle Linderman, of the Neely Nut and Bolt Company, secretary; H. F. Webb, of the West Penn Power Company, vice president in charge of public safety; J. C. Campbell, of the Union Switch and Signal Company, vice president in charge of industrial safety; W. M. Dickson of the Bell Telephone Company, vice president in charge of home safety, a newly created position; R. M. Sherrard, of the Pittsburgh Public Schools, re-elected vice-president in charge of school safety; G. P. Clarkson, a vice president was re-elected; and Walter Rosenbaum, vice president in charge of public safety.

Many Elected

The following members were nominated to the board of directors of the council: T. A. Hibler, of the Richmond Radiator Company, Uniontown; Walter McGhee, Enterprise Stamping Company; Lewis W. McIntyre, City Traffic Engineer; C. H. Saltzman, Pennsylvania Manufacturers Association; D. E. Shannon, Fort Pitt Malleable Iron Company; James R. Watson, of the Elliott Company, Jeanette, Pa.; L. H. Burnett, of the Carnegie Steel Company; and A. T. Kline, of the Spang, Chalfant Company.

In his annual report to the council, G. E. Clarkson, manager announced that a total of 36,113 men and women had been addressed by speakers of the organization during 53 meetings conducted in connection with safety talks made by members of the council.

Members of the advisory committee, newly created by resolutions last night, will be announced shortly, Clarkson said. Prominent manufacturers and industrialists will make up the group, he said.

Three Miners Are Killed By Blast

Dynamite Explosion In New York State Mine Causes Death Of Three

(International News Service)

LYON MOUNTAIN, N. Y., Nov. 26.—Three men were dead today as the result of a dynamite explosion in the 200 foot level in one of the mines of the Chateaugay Ore and Iron Company. All died instantly, in a blast that shook the countryside.

The dead were Michael Rabitch, 50, and Felix Kasky, 20, both single, and Ray Ducharme, who is survived by his widow and six children.

It was said that no means existed to determine the cause of the explosion, but officials of the Du-Pont Powder Company, Wilmington, Del., are due here tomorrow to conduct an investigation.

Dr. Edwin Sartwell, Clinton county coroner, and the technical staff of the company are already investigating.

Coolie Ensemble

This new pajama ensemble is fashioned to resemble a Chinese coolie costume. The trousers are of chartreuse jersey, and the knee-length jacket is of striped silk and tied with a wide sash. The Chinese hat completes the costume which may be worn on the beach.

Schooner Grounds, Coastguards Rush Aid To Five Aboard

Four Men And Woman Comprise Crew Of Grounded Schooner Stormy Petrel

(International News Service)

NEW LONDON, Conn., Nov. 26.—The schooner Stormy Petrel of New York drifted helplessly through the night in Long Island sound and today was aground on Cornfield Point, Saybrook, N. Y., with coastguard vessels going to her aid.

There are four men and a woman aboard the craft.

Several coast guard vessels attempted to get to the schooner during the night and were prevented by rough weather and the exhausted condition of the schooner's crew.

The cutter Porter found the Stormy Petrel helpless in the middle of the sound, her sails torn to shreds by a gale.

The Porter shot a line to the schooner but its crew was too exhausted to seize the line, then a boat put out from the Porter, but was forced back by the seas and finally was crushed against the side of the cutter.

On a second effort a line was finally put on the schooner but the connection broken, and the schooner drifted away. Meanwhile the Porter had sent for assistance, and thruout the night a search was maintained without result.

This morning the vessel finally was located aground on Cornfield Point, old Saybrook.

Trinity Church Thanksgiving

Tomorrow, Thanksgiving Day, in Trinity church, the holy communion at 7:30 a. m. and the special service appointed in the prayer book with music appropriate to the occasion and short sermon at 10 a. m. This service is planned to be over at 11 a. m.

The rector, P. C. Pearson, will preach on the "Meaning of Thanksgiving Day Under Present Conditions."

Thus there is being carried out in Trinity church the custom and tradition of the Episcopal church for centuries, because the American Thanksgiving is the direct successor of the old English Harvest Home Festival which was observed in the Church of England (the mother of the Episcopal church in this country) for hundreds of years.

LIBRARY IS NOT OPEN THURSDAY

New Castle free public library and all its branches will be closed on Thursday, in observance of the national holiday, Thanksgiving Day.

NOW HOPING THIEF WILL RETURN ALL; BRINGS BACK SOME

It must have been that his conscience bothered him, or else he wasn't familiar with portable electric sewing machines—anyway, a thief who invaded an Edison avenue home last week was considerate enough to return this particular loot last Sunday morning.

Awakening to find the portable machine resting on the steps of their back porch, Mr. and Mrs. Zack Allerton were puzzled as to why he was so thoughtful.

Now they're hoping they'll find a valuable ring, a watch and several other articles which were also taken, some of these mornings.

Speeding Fire Truck Collides With Automobile

Unperturbed after their family sedan became damaged in a collision with a hose and chemical truck which was speeding from No. 4 fire station to quell a fire on Epworth street, Tuesday evening, Mrs. Morris N. Pitzer and her children, Gertrude, the driver of the car, Rosers, 7, and Francis 9, of 529 Marshall avenue, were slightly shaken, but none the worst for their experience today.

The fire truck, slightly damaged by the crash which occured at Spruce and East Washington streets, continued to 417 Epworth street, where a fire resulting from an open grate front and a stuffed chimney, according to firemen, caused damage of about $125.

Lieut. Harper at central station answered a telephone call from Floyd Nowling, 13 Epworth street, who said a fire was in progress at 417. Before the call could be sent on the fire transmitter to No. 4, a call came from police headquarters reported that a woman had telephoned there was a fire at 412 Court street. Fire Chief Lynn ordered a response to the first call.

Capt. J. W. Clark and Firemen C. E. White of No. 4, both on the fire truck were entering East Washington street from Butler as the sedan, driven by Miss Gertrude Pitzer, swung into Washington from Spruce st. The rear left fender, bumper and a wheel were damaged on the sedan. The fire truck continued to Epworth street.

The fire was well underway in the second floor bedroom of Mrs. Thomas Golder's frame building, when No. 4's truck and B truck from central arrived.

The Golders were on the first floor of the building when fire was discovered by a neighbor, Mrs. John Wordell of 418, who told Mr. Nowling about the fire. Mrs. Sofia Schuster, 36, an invalid was helped out when firemen arrived. Mrs. Golder, and a daughter, Louise, were the others in the dining room on the first floor at the time.

The fire gained headway in the bedroom after a trunk, wooden mantel and the floor were in flames. The bedroom furniture was damaged.

Mrs. Golder said the fireplace was an old-fashioned one and had not been in use for about 20 years. Firemen believe the blaze started through the open grate front.

Will Attend Funeral Of W. J. Williams

E. D. Porter of 1517 Highland Avenue, district manager of the Western and Southern Life Insurance Company, is in receipt of word of the death of W. J. Williams, president of the company, of Cincinnati, O. Mr. Williams, who died following a long illness, has many friends in this vicinity who will regret to learn of the sad news.

Mr. Porter, who has been selected to represent this division, will leave this evening for Cincinnati, O., for the funeral services, which will be held Thursday afternoon at three o'clock.

Candy Made Here Is Shipped To Africa

Candy "made in New Castle" started on a long, long journey to the Sudan, in Africa, when Mrs. P. T. McKnight of Volant decided that sweets would go far to furnish happiness to Mary Jane McKnight, who is residing in Khartoum, North Sudan, she came to New Castle and purchased two and a half pounds of candy manufactured here. The purchase was packed carefully. It cost $1.57 in postage to mail the package.
