~~REDACTED~~

Attached you will find copy of correspondence we received from Mr. G. H. Hargrove of the Insurance Company of North America regarding a new procedure adopted by INA in the handling of the captioned type cases. In conversation with Mr. Tanenhaus, he advised me that your department was aware of the situation. He also stated that there have been on-going discussions with INA regarding the situation and that there was the possibility of some legal action on our part to have INA continue to handle these cases as they have in the past. Please keep us advised of your progress in this area.
