

Hello Millan,

I hope your day is going well.

I do have a quick question regarding the lunch after our General Session. Does anyone in attendance at that luncheon from your staff have any type of dietary needs or allergies I need to be aware of before ordering?

Thank you!

Lisa Chamness

It was wonderful to talk with each of you. Thank you for including me on the phone call. Please don't hesitate to give me a call with any questions leading up to the 23rd.

Warm regards,

Millan Hupp

Hello Millan,

It was very nice talking with you this afternoon, thank you so much for your time in answering our questions and going over the program with us. We are all very excited that the Administrator will be
