David,

I am no longer in Water and Science so if your interest is in those bureaus then I think you'll want to talk with Andrea Travnicek.

Thanks,

We represent the County of Amador (CA) who contest the status of the Lone Band of Miwok Indians as a restored tribe within the meaning of Section 20 of IGRA and potential for a gaming facility. The County believes that the legal action, initiated by the previous Administration, may no longer represent the position of the Department.

I have attempted to contact John Tahsuda, however, he is likely still getting settled in his new position.

I will be attending a Bureau of Reclamation reception on Wednesday at the end of the day if that might be convenient for you for us to briefly talk.

Thank you.

David

This issue is not water related. Do you have a minute to quickly discuss?
