Pigments and Chemicals Division

October 11,1956

To Red Lead Manufacturers, Pigments and Chemicals Divisions:

Following is a listing of requests for Red Lead Literature received during August and September, 1956. This listing does not include inquiries from outside the United States and Canada, nor those considered by the Association not to be of sufficient sales interest to members. At the end of the listing, are added the names of individuals requesting specific technical information.

Very truly yours,

David M. Borcina
Secretary to the Division
