Aaron, Alana and Corey:

I hope this email finds you well.

Attached you will find an invitation from the Coalition for Renewable Natural Gas (RNG Coalition) to Administrator Wheeler to deliver the keynote address to the Renewable Natural Gas Conference 2019 on December 3, 2019 at the Monarch Beach Resort in Dana Point, CA. The conference runs from December 3rd – 5th, and is attended by senior leaders from across the RNG industry's value chain.

The RNG Coalition sincerely appreciates the work EPA has done to promote the domestic production and use of RNG, and would be honored to have Administrator Wheeler address the group. The following link provides additional information about the conference: <http://www.rngcoalition.com/rng-conference>.

Thanks you in advance for the consideration, and please do not hesitate to contact me if you have any questions or would like to discuss this invitation.

Best,

Manning
