11/21/66

As requested in your letter of November 8, 1966, the following information on the use of asbestos is submitted for your consideration.

- A. We have one full-time insulator.
- B. We do not have any employees doing part-time insulating.
- C. The following insulating materials are used at the present time:
 - a. styrofoam
 - b. fiberglass
 - c. a paste mixture containing loose asbestos used to insulate pipe fittings only.
- D. We do not spray insulating materials.
- E. We have not had any experience with asbestosis, mesothelioma or carcinomas.
- F. Preventative measures or equipment required:
 - a. Safety glasses and gloves are required when sawing insulating
 - & b. materials or removing obsolete insulation.
 - c. As we do not spray insulating equipment, this does not apply.
