The best person to call when you arrive is Jacob Hassan, one of our on-scene coordinators. Jacob's phone is 312-886-6864. Rachel Bassler and I will meet you there, too.

Jeff,

We are still a go for Tuesday. Myself, SA [Personal Security Detail/Ex. 6/Ex. 7C/Ex. 7E/Ex. 7F] SA [Personal Security Detail/Ex. 6/Ex. 7C/Ex. 7E/Ex. 7F] and Millan Hupp will get to the school around 12:30pm (depending on traffic) for a walkthrough. Who should we call upon arrival? Thanks.

Sounds good, I can be flexible. I've been talking to the governor's deputy chief of staff, Danny Lopez, [dalopez@gov.in.gov](mailto:dalopez@gov.in.gov), 317-753-0200. (And, of course, I'm happy to do a walkthrough at Wrigley Field with you, too.)

Jeff,

This is great and thanks for facilitating this. I have not yet reached out to the governor's office but that will be next on my list. I don't get into O'Hare until 10:40am Tuesday, and after getting a rental, I can imagine trying to set up a walkthrough/briefing at the site sometime between noon and early afternoon maybe 2pm at the latest. I'm also juggling and waiting to hear back from Wriggley Field so not sure which will come first yet. Personal Security Detail/Ex. 6/Ex. 7C/Ex. 7E/Ex. 7F

[REDACTED] and Millan, EPA's command post for the site is at the former Carrie Gosch elementary school (455 E 148th St, East Chicago, Ind.). The rest of the site is to the east of the school ... there's a map on our website at [https://www.epa.gov/sites/production/files/2016-09/zones\\_cropped.jpg](https://www.epa.gov/sites/production/files/2016-09/zones_cropped.jpg). As part of the site tour we'll be able to see work underway in zone 2 of the site, although I don't have the addresses yet.

Either I or someone from my staff can do a walkthrough with you Tuesday, and I'll make sure the right people from our Superfund division are onsite to answer questions.

[REDACTED] have you been in touch with the governor's office, yet? I know they'll want to get you in touch with his security detail.

Margaret,

It was nice speaking with you on the phone. Per our discussion, I along with Millan Hupp will be flying up Tuesday the 18<sup>th</sup> to do site advances for the EPA Administrator's trip to Chicago. We would like to schedule a walk through at the superfund site and go over security and logistics. Please advise who would be the appropriate POC for this and provide the address/location of the site as I understand it is NW of Gary Indiana. Thank you and look forward to hearing back. -
