Bathroom Walls that glisten like tile

A SPOTLESS FLOOR and fixtures—walls and wood-
work glistening like white tile! Any woman would
be proud of such a bathroom.

And almost any woman can have such a room—she can do the fin-
ishing herself, and enjoy it! If your bathroom has become dingy-
looking, freshen up the woodwork with Silkenwhite Gloss or Semi-
Gloss Enamel and apply a coat of Fullerwear Varnish to the lin-
oleum. And when you have done that, use Fuller Washable Wall
Finish on your kitchen, bedroom or living room walls—many soft,
attractive colors and tints from which to choose.

Like all other Fuller products, Silkenwhite Enamel has been per-
fected after 74 years of paint-making experience, and determination
to excel. It is easy to apply; it beautifies; and it wears well.

Whatever your painting need, W. P. Fuller & Co. makes a paint
for the purpose. Always ask for Fuller products by name. Your local
dealer has them. Or write our Service Department for advice
and for a free copy of our "Home Service" booklet.
