Cuyahoga County Common Pleas Court
Case No. 299419; Judge Janet R. Burnside

REDACTED

Dear Maria:

Thank you for joining me for the deposition on Friday. I am certain that you will agree that it was a most interesting morning.

Consistent with your direction to do so, I have ordered a copy of the transcript and will send it to you immediately upon receipt. I will appreciate your comments and observations after you have had an opportunity to review the complete transcript.

Interestingly, on Sunday, June 9, 1996, the enclosed article relative to a link between asthma and cockroaches appeared in the *Akron Beacon Journal*. We will want to follow up, particularly with Dr. Waller, the claimant's allergist, in this regard.

If you have any questions concerning any of the foregoing matters, please do not hesitate to contact me.

Very truly yours,

F. Daniel Balmert
