Samantha, it was great to meet you last week, and Drew and Will, it was great to meet you and speak to you in detail.

Drew, you asked about when the Version 7.0 ENERGY STAR TV specification was finalized. It was finalized on December 30, 2014 and made effective on October 30, 2015.

If any of you have any further questions, please do let us know. Thank you all for taking the time to speak with us.

Regards,

Prerna
