

ORDERLINESS

412

1. Each gang foreman and each craft is responsible for clean (progressively) areas in which they are working.
2. All trash and lunch papers should be placed in the trash cans provided. Yellow flags should be used to indicate trash that is to be removed.
3. Special care must be taken not to block or partially block any door, passageway, safety exit, fire-fighting or safety equipment with materials or equipment.
4. Dirty or oily rags must be kept in fire-proof metal containers.
5. All materials must be piled, stacked or stored in a neat, orderly and stable manner. Use "Softeners" when stacking heavy metal-on-metal objects in fixed storage or on trucks and trailers.
