Subject: Revised Itinerary

Tate how does this revised itinerary look to you?

-

Overview:

Date: Thursday, August 3, 2017

Time of arrival: 2:00 PM Mountain time

Venue: Frasier Ranch - cow/calf and stocker operation

Street Address: 5727 Hwy 71, Woodrow, CO, 80757

Owner: Mark Frasier

Audience: Agricultural stakeholders – ranchers, feedlot operators, farmers

Background: He had EPA visit his ranch in 2015 during the WOTUS rollout when they promised it wouldn't impact agriculture and we know how that turned out. It will be great for the Administrator to do a repeat here except he's actually providing relief to Rural America.

Timeline:

2:00 pm: introductions and gather at the hay barn

2:15 pm: Conversation between EPA and ag stakeholders

3:00 pm: Tour of Frasier Ranch –

- Stock ponds
- Grazing cattle
- Stocker cattle

4:00pm: Continue Conversation between EPA and stakeholders

4:30pm: Goodbyes and departure

Dress code: Dress for outdoor ranch tour – Jeans, boots, button-down shirt
