Dear Barry,

Here's some good news & some bad news. The Supreme Court of India has admitted the writ petition on asbestos, against the Govt. of India, & Digvijay, Ferodo & Hyderabad Asbestos cement. If you will look back thro' my correspondence, you will see that 20 ~~pate~~ workers of Digvijay were identified as definite asbetosis cases/victims. One of these died last year. For him (name Dhirajji Sanaji) we have been able to get 10,000 Rs. ad-hoc payment for his family, pending final result of the petition. Digvijay ~~to~~ was hopping mad with us. & understandably. The rest of workers, were called & given a rechecking, but the ruse didn't help them in the Supreme Court. They tried to palm off a medical certificate for Dhirajji. Sanaji, to show that he died of cardiac arrest, & not asbestosis. I jumped to my feet to oppose that kind of document being taken in evidence. This was on 27th April 1986.
