

July 9, 1968

Mr. W. H. Deardurff
Owens-Corning Fiberglas Corporation
Toledo, Ohio 43601

Dear Mr. Deardurff:

Please refer to our letter of June 28, 1968, advising you that sample bags of SC-30 and SC-40 Cement were mailed to your attention June 25, 1968. We wish to clarify that, we only mailed sample bags of SC-30 as we have not printed SC-40 bags to date.

It was agreed at the time the names of the cement were switched to the SC nomenclature that we would be allowed to work off our OC-660 Cement bag stock. At the present time we still have approximately 2,700 bags in stock. As soon as the stock is depleted SC-40 bags will be ordered.

Thank you very much for your cooperation.

Sincerely yours,

EAGLE-PICHER INDUSTRIES, INC.
Fibers and Minerals Division
