

From **MONSANTO COMPANY**

At Augusta, Georgia

Date August 13, 1976

To Mr. Garth F. Fort

Reference

At St. Louis, Missouri EISB

Subject

Acid Purification Sludge Disposal

Please find attached a copy of Nuclear Engineering's contract

Also attached is a letter from our Packaging group to DOT asking for an exception which will allow us to ship our sludge in the all plastic drums.

The approval of this exception will complete the preparation steps leading to our signing of the contract with Nuclear Engineering.

George D. Rozelle
