Dear Ryan:

It might be helpful to arrange for a time to speak. It is generally best for me to speak early in the morning since most action with student etc starts later in the day. I typically get into work at about 7:30 am. My secretary actually arrives at 6 am. Let me suggest speaking in the morning this week or whenever your schedule permits. I really no time restrictions....whatever works best for you....including evenings.

Ed

Ryan - I just spoke to Sydney Hupp and was told that you are now Scott's Chief of Staff. I will be traveling at the end of this month to meet with Scott and hope you can be at the meeting as well. It will be good to see you. Congratulations! Chris Tytanic
