The meeting opened with a welcome by [REDACTED], which was followed with each attendee introducing themselves. My speech focused on ECHA's new strategy statement for 2024-2028 and how we plan to implement our vision, goals and priorities.

Following the presentation, questions and comments from the attendees included:

- a. Collaboration with ECHA welcomed. Also interest in understanding how ECHA collaborates with US EPA.
- b. ECHA's plans and supports to SMEs
- c. Challenges and opportunities for AI
- d. Skills and competency gaps and how to ensure future resources for regulators and industry.
- e. Industry to ensure dossiers are kept up to date.
- f. Use of NAMs
- g. How committees work and timeline announced for PFAS decision making.
