Mr. A. K. Burgstresser, President
Norristown Magnesia & Asbestos Company
Norristown, Pa.

Dear Mr. Burgstresser:

Re: flexible Range Boiler Jacket License Agreement

This matter is not being neglected but it takes some time to get approval of various attorneys for Licensees to the changes necessary in the method of operation: first, on the point of price control, and second, on the penalties involved in connection with price control.

I am following this closely and as soon as it has been straightened out will proceed with the new license.

Yours very truly,

Donald Tulloch, Jr.
