Hi Abbie and Alex,

Congratulations on your new roles! I wanted to flag for you both that I submitted a meeting request to come in and talk about our OOOObc reconsideration requests. I sent it to the usual OAR email address, but I wanted to flag for you personally as well.

Looking forward to coming in to see you guys soon.

Thanks,

Good afternoon,

On behalf of the American Petroleum Institute, I am submitting the attached request for a meeting with Abigale Tardif on our OOOObc reconsideration requests. I used the form I have used in the past, so if there is a new version or any additional information you need from us, please let me know. My attendee list includes several member company representatives who hold leadership roles in API on these issues, but once a date and time is confirmed, I think we will have additional interest from member companies.

Thanks in advance for your assistance.
