We're trying to get Dale out to DE for the afternoon but he will be back in the District Monday evening (8/7). Does that work?

That would be great. I sure do. Would Monday work?

Ryan –

Happy Wednesday; I hope you are settling in well at the “new” gig.

Your old friend Dale Hall will be coming into town August 7-9 and would love to have time with you either on or off campus. Do you have any availability?

Looking forward to seeing you!

Cheers,

Whitney
