Subject: Re: Press push by Ag groups?

Tate:

As it relates to press inquiries/coordination, please have your team contact Kurt Zellers at MZA+Co, who handles AgriGrowth's communication/p.r. work.

I've alerted Kurt someone from EPA may be contacting him. He's copied on this message; his cell phone # is: 612-889-4485. He can also assist with any contacts you may need with local media - including MN based farm broadcasters, who I'm sure would welcome an opportunity to do a phone interview with Administrator Pruitt as his schedule permits.

Hey Perry! Sorry to bother again, but does AgriGrowth have a press team we can coordinate press with? We'd also love to encourage individual releases from each trade group following Pruitt's visit. Do you care sharing Amy and John'sx2 contact info with the press teams of the various groups?
