

LEAD INDUSTRIES ASSOCIATION, INC.

888 MADISON AVENUE

NEW YORK, N. Y. 10017

TELEPHONE - AREA 6000 811

OR 6-6000

June 14, 1965

SUBJECT: 1965 DESIGN EXHIBITS AND
SHOW INQUIRIES

To Members of the Lead Industries Association, Inc.:

Attached is a list of inquiries we received from the Design Engineering Show in which we exhibited recently at the Coliseum in New York. The names are arranged alphabetically under state and city, accordingly to subject of inquiry. A breakdown follows:

Solders and New Soldering Techniques.....	195
PET Ultrasonic Cleaner.....	29
Ceramic Magnets.....	29
Battery Power.....	26
Requests for Lead Abstracts.....	23
Sound & Vibration Control.....	28
Chemical Construction.....	10
Paints & Pigments.....	10
Terne Plate.....	7
Radiation Shielding.....	11
General Information.....	24
Miscellaneous.....	31

A photograph of our exhibit is also attached.

Very truly yours,

John M. McIward
