THE EASY WAY TO BEAUTIFUL HOMES

A Hot Bath without an instant's delay

TUNE IN
EVERY WEDNESDAY
10:30 A.M.
K.P.I.
HELEN WEINSTEIN
About that red-
headed baby!

Drawn-eyed in the morning, or drooping in
the evening... isn't it a blessing to have a
hot bath ready? To know that you need only
turn a handle to feel the tingling spray from
the shower... or fill the tub so you can slip
into a summery sea? Nothing is half so com-
forting as instant hot water... always on tap
to soothe and lull away aches and weariness.
Install a thrifty Self-Action Gas Water Heater
and you'll have plenty of hot water without
the least delay for the rest of your days. No
fire to tend. It operates itself—without any
attention whatever... costs only a few pen-
nies a day.

NOW is the time to REPLACE that old,
rusty, worn-out, manually-operated tank heater
with a new approved A.G.A. Automatic Gas
Water Heater.

Local dealers are NOW offering Special
Sales Inducements including a Year's FREE
Service; also a small down payment, with from
ten to twelve months to pay the balance.
