Dear Doug:

This is to confirm the message I left with your receptionist on Monday, April 27.

I went through all of my files and was not able to come up with the date when we started attaching a label making reference to asbestos.

Thank you for the time and interest shown to Bill Finn and me when we met in your office a couple of weeks ago.

I look forward to meeting with you again in the near future in regard to purchasing multiwall bags from St. Regis.

Sincerely,

Daniel I. Larsen
Sales Representative
