Dear Noel

Just to be sure you have a copy, an article that appeared in Chemical Week magazine is inclosed.

So that you'll know that Asbestos is not the only contaminat~~ed~~<sup>ing</sup>, a second article from O.P. & D Reporter assesses a share of the blame on trees.

My answer to the problem is: if you have enjoyed a good life while working with asbestos products why not die from it. There's got to be some cause.
