Thanks, we'll try and send someone next Friday. Also, looking to have people in Colorado/Montana, just waiting on clearance.

Happy Friday to you all.

Wanted to send a reminder on next Friday's breakfast meeting and our updated list of upcoming events. See below and/or attached.

As always, we would love to have representation from EPA.

We have had a pretty good thing going lately with one person from Congressional Affairs and an Assistant Secretary both attending from the different agencies and the AS introducing themselves and speaking for 5-10 minutes. Would love to keep that going and would be great if you all did something similar.

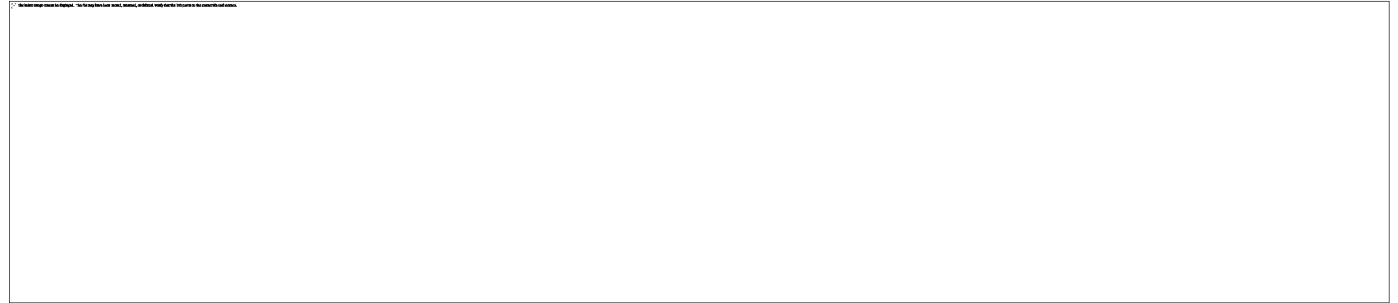

A couple of the agencies are also sending staff on the late June Colorado trip and the August Montana trip. Would be great if you all sent someone on either or both of those too and the Foundation should have more info out soon.

Let me know if any of you can attend the breakfast and if you'd like to be on the agenda. Have a good weekend.

Sincerely,

Jeff Small
