

1 asbestos and mesothelioma, pleural mesothelioma was
2 established in 1960. 1960, mesothelioma and
3 asbestos.

4 If you look at those earlier papers from the
5 '30s, '40s, the '50s, there was no association.

6 I use the word asbestos loosely.

7 Mr. Ignatowski had a cart up here this
8 morning to talk about the different types of
9 asbestos.

10 In 1960 this guy in South Africa -- and
11 South Africa is rich with minerals. They have got
12 gold. They have got diamonds, and they have got
13 asbestos and that is why --

14 THE COURT: Seven minutes.

15 MR. MCGOWAN: -- they have been exploited
16 for centuries.

17 What happened in 1960, there was a different
18 type of asbestos mine and I am going to refer to it as
19 blue asbestos, and that is crocidolite.

20 I am abbreviating it, I am running out of
21 time. Blue asbestos.
