Re: Agricultural Gypsum
Hitzelberger Fuel Supply Co.

A little over a year ago as a result of a great deal of pressure by J-M, Westwall obtained some 30,000 bags to be used to ship agricultural gypsum to a J-M account.

Would you please review the file and let me know first how much material has been shipped to Hitzelberger since this started and whether or not there has been any discussion with the local J-M sales manager or whether J-M anticipates better business this year than in 1962.
