Subject: RE: Rescheduling Tomorrow's Event with EPA Administrator Pruitt

Good morning, Liz:

I just wanted to let you know that we are officially a “GO” for next Friday, June 30th. Same time, same place, same set up. We’d be happy to arrange another walk-through on Thursday if you think it’s necessary. We’ll be sending re-invitation emails to our original guest list to confirm attendance later today.

Let us know if you have any questions. So glad we could make this happen!

Please thank the Administrator on our behalf for rescheduling so promptly; and let him know that we’re all very glad he’s feeling better.

-Ralf

Hi Liz,

Thanks for getting back to us on this. As of right now, a lunch event next Friday, June 30th works for us internally. That said, we need to reach out to and confirm with our vendors, the venue, etc. to make sure we can get all our external ducks in a row in time. Would it be alright to get back to you all tomorrow morning with a confirmation?

Good morning Liz,

I want to personally say I wish the Administrator Pruitt speedy recovery.

I finally have connected with our banquet manager at the club. They said they might be able to work with us if we could reschedule for some time next week. I am not sure if they is pushing it but might that be possible? If not could you provide us with

some dates in the near future to reschedule?

Best,

Taisha

Rafael, Michele and Taisha – We regret to inform you that Administrator Pruitt is sick and unable to attend tomorrow's event. We sincerely apologize for any inconvenience this causes your organization and those who were planning to attend.

We would appreciate the ability to reschedule in the near future.

Thank you for your understanding.

Sincerely, Liz
