

Meeting Rescheduled: Wednesday, July 16, 2025

Location: U.S. Department of Energy, Washington, DC or Virtual Teleconference

On behalf of the U.S. Department of Energy (DOE), we invite you to attend this Industry-Government Oil and Natural Gas (ONG) Stakeholders Meeting on Tuesday, July 15, 2025, hosted at DOE Headquarters. Participants will discuss a range of topics related to improving the cybersecurity, physical security, and resilience of the oil and natural gas subsector. This meeting is by invitation only.

Please note that this meeting may take place in the absence of CIPAC or other FACA exemption coverage. The meeting format and agenda will be adjusted accordingly.

Meeting Date: Tuesday, July 15, 2025

Location: DOE Headquarters
1000 Independence Ave SW, Washington, DC, 20024
Room: TBD

Tentative Schedule: 12:30 PM ET Arrival and Check-in
1:00-4:00 PM ET Industry-Government ONG Stakeholders Meeting

Questions?: Please email EnergySRMA@hq.doe.gov with copy to Marc Lemmond (marc.lemmond@hq.doe.gov) and Chathan Raj (chathan.raj@hq.doe.gov).

Format:

A collaborative and discussion-based approach is encouraged. Three or four broad topics will be chosen ahead of time for discussion. Government and industry participants should come prepared to discuss these items in the context of their organizations. Final discussion topics are being finalized and will be distributed in the agenda, along with other relevant materials.

For any questions regarding the joint meeting, please email EnergySRMA@hq.doe.gov.
