Dear Dr. Slade:

It is my understanding that ATSDR, with you as the lead author, presented a poster entitled "'Move the Mountain or Move the People'?, PCB Contamination in Anniston, Alabama" at the recent PCB Workshop in Lexington, Kentucky. I would like to request exact copies of the materials presented on the poster. I appreciate your attention to this request.

Sincerely,

A handwritten signature in dark ink, appearing to read "Robert G. Kaley, II". The signature is fluid and cursive, with the last name "Kaley" being particularly prominent.
