Yes, I have your note to Kristin. I have the substantive staff contacts for NE, SD and IA but not sure about comm. directors since they change frequently. I'll get you an updated list on Monday morning. And do you have the contact info for Troy whom the Administrator mentioned on the call? I'd like to finish the draft thank you letter and want to CC you and Troy as well as other key EPA staff.

Thanks.

Hey Larry! I actually reached out to Kristin after the call looking for your contact info as well. Look forward to working together!

Do you mind passing along the contact info for the three governors' chiefs and communications directors? Thank you!

Tate,  
Thanks for helping with the call yesterday. I was as pleased as the governors were with the positive tone of the discussion with Administrator Pruitt.

It couldn't have gone any better.  
I'm drafting the thank you/follow up letter to the Administration, and I want to CC the EPA point of contacts. I have your info but just have Troy's first name. Can you please send me Troy's contact information as well other EPA staff who should be copied on the letter.  
Thanks.
