from NAPA Air Tools at your Marketing Conference.

The NAPA Air Tool line now includes the widest range of air tools ever offered . . . and they're all detailed in this comprehensive, easy-to-use catalog. From sanders and grinders to air hammers and impact wrenches, they're hard-working, quality tools designed for long life. Catalog No. 12001

Heavy-duty NAPA Air Tools are shipped to you in these attention-getting, colorful packages. Designed for maximum visibility and identification to help increase inventory turn.

D-100NS

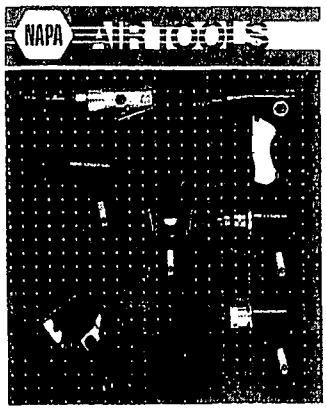

D-100N

NAPA Air Tools are hot sellers — especially when they're showcased in this colorful, durable display. Constructed of sturdy .187" ABS plastic, it lets customers examine and touch seven top-selling tools:

Tool No.	Description
728	3/8" Power ratchet
734	1/2" Impact wrench
888	6" Dual-action sander
1020	Medium-duty air hammer
2000	5" Hi-speed sander
3050	3/8" Hi-speed drill
3801A	Utility cut-off tool

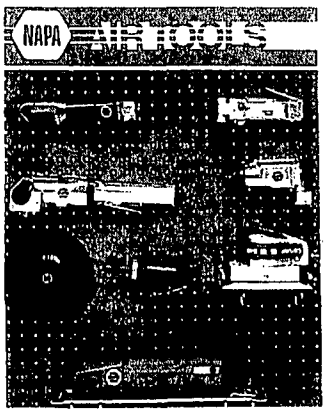

Display measures just 29" x 13-1/4" — fits on any 14" shelf. Bolts down for added security and stability with two 2-1/8" bolts and wing nuts (included). Available with security system featuring retractable cables that permit examination but prevent theft. Order Display No. D-100NS (with security system) or D-100N (without security system).

Attractive tool boards really sell. Mounted on the wall, they put tools where your customers see them — at eye level. Available with two popular product assortments.
