Yes, great and I would like to put all of this in the report to Wheeler. Many thanks, Amy

We sure did. We organized a multi-association sign-on letter that got around 60 signatures, I believe. Jay also released a statement of support that EPA has been using on its press releases for Wheeler since late 2017.

Let me try to dig all of it up.

Ross,

I have been asked to put together for Andrew Wheeler comments made in support of him during the confirmation process. Did you all put anything out (letter or press statement) ? Thanks, Amy
