Hi folks,

Mike asked that we prepare a few talking points for state director Hill visits on what BLM is doing with regard to the Secretarial Orders. Public Affairs has put together the attached document. It's meant to be pretty high level, just in case they are asked what we're doing to support the administration.

As usual, I'd like these back ASAP but in lieu of that, 5 p.m. today would be great.

Thank you,

Bev
